Dear Professor van Dyk,

RE: Confirmation of accredited programmes at North-West University (NWU)

This is a confirmation that the E-20-PE document currently on the ECSA website, is an outdated version. ECSA is working to update the document for all institutions and programmes, and from here on out, the document will be updated annually.

The Engineering Council of South Africa (ECSA) hereby confirms that the following programmes from NWU have been fully accredited until the next accreditation Cycle.

1. Bachelor of Engineering in Chemical Engineering is accredited from 2004 to 2026.
2. Bachelor of Engineering in Chemical with specialization in Minerals Processing Engineering is accredited from 2004 to 2026.
3. Bachelor of Engineering in Electrical & Electronic Engineering is accredited from 2004 to 2026.
4. Bachelor of Engineering in Computer & Electronic Engineering is accredited from 2004 to 2026.
5. Bachelor of Engineering in Mechanical Engineering is accredited from 2004 to 2026.
6. Bachelor of Engineering in Industrial Engineering is accredited from 2019 to 2026.
7. Bachelor of Engineering in Electro-mechanical is accredited from 2019 to 2026.
8. Bachelor of Engineering in Mechatronic Engineering is provisionally accredited to the end of 2023, whereafter the first regular accreditation visit will take place.

You are welcome to contact the ECSA Manager: Education, Mrs. Nivashnee Naidoo (Nivashnee@ecsaco.za), should you require any further information in this regard.

Yours sincerely

Dr Franciska Bothma
